- Approved Project/Construction Plans
- Pay the applicable fee (visit hvffsd.org/information/page/fees) and select the applicable permit (either annual blasting or fireworks)
- Provide email notice to johnp@hvffsd.org at least 48 hours before every blast

It is understood and agreed that the holder of this Permit shall Indemnify and hold harmless Hurricane Valley Fire SSD from and against all losses and claims, demands, payments, suits, actions, recoveries, and judgments of every nature and description brought or recovered against it by reason of any omission or act of the Permittee, its agents, or employees, in the execution of the conduct outlined in this Permit. The Permittee shall obtain, maintain, and pay the premiums for liability insurance in an amount not less than \$1,000,000.00 U.S. dollars naming Hurricane Valley Fire SSD as an additional insured on said policy and with provisions that protect Hurricane Valley Fire SSD from contingent liability under the Permit. Proof of such insurance policy, or policies, shall be attached to the application prior to approval being given. Permittee shall provide a fire watch during, and for a reasonable time afterwards, to extinguish any and all smoldering debris. Permittee must provide their own water supply and equipment for that task. Permittee must abide by all adopted IFC (Chapter 33) and NFPA 495 regulations and must notify Hurricane Valley Fire SSD, by the quickest means possible, of any and all emergencies or fires that may be caused by blasting (call 911). Any questions should be directed to the Hurricane Valley Fire SSD Fire Marshal at (435) 635-9562. A copy of the permit must also be on display at the blasting location. Blasting prior to the issuance of a permit is a violation of Utah State and Federal Code.
