

About Us

Hurricane Valley Fire Special Service District (HVF) provides emergency medical and fire services to eastern Washington County, encompassing over 600 square miles. Our medics and firefighters are trained professionals with extensive experience, providing emergency care for the residents and millions of visitors that also enjoy our unique and attractive landscape. We are home to Zion National Park, Redbull Rampage, multiple state parks, Ironman World Championships, world-class golf courses, and some of the best hiking and mountain biking trails in the United States.

HVF proudly serves the following towns, cities, and area:
